

# Chapter 3

## Drops of Rain

glory

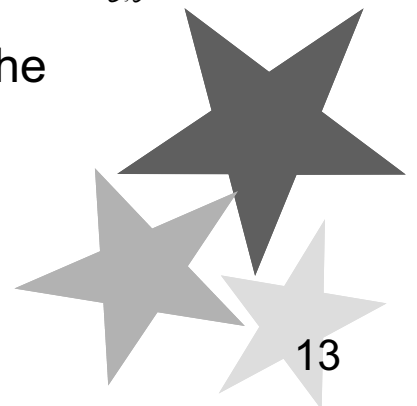

gifts

water

everything

creations

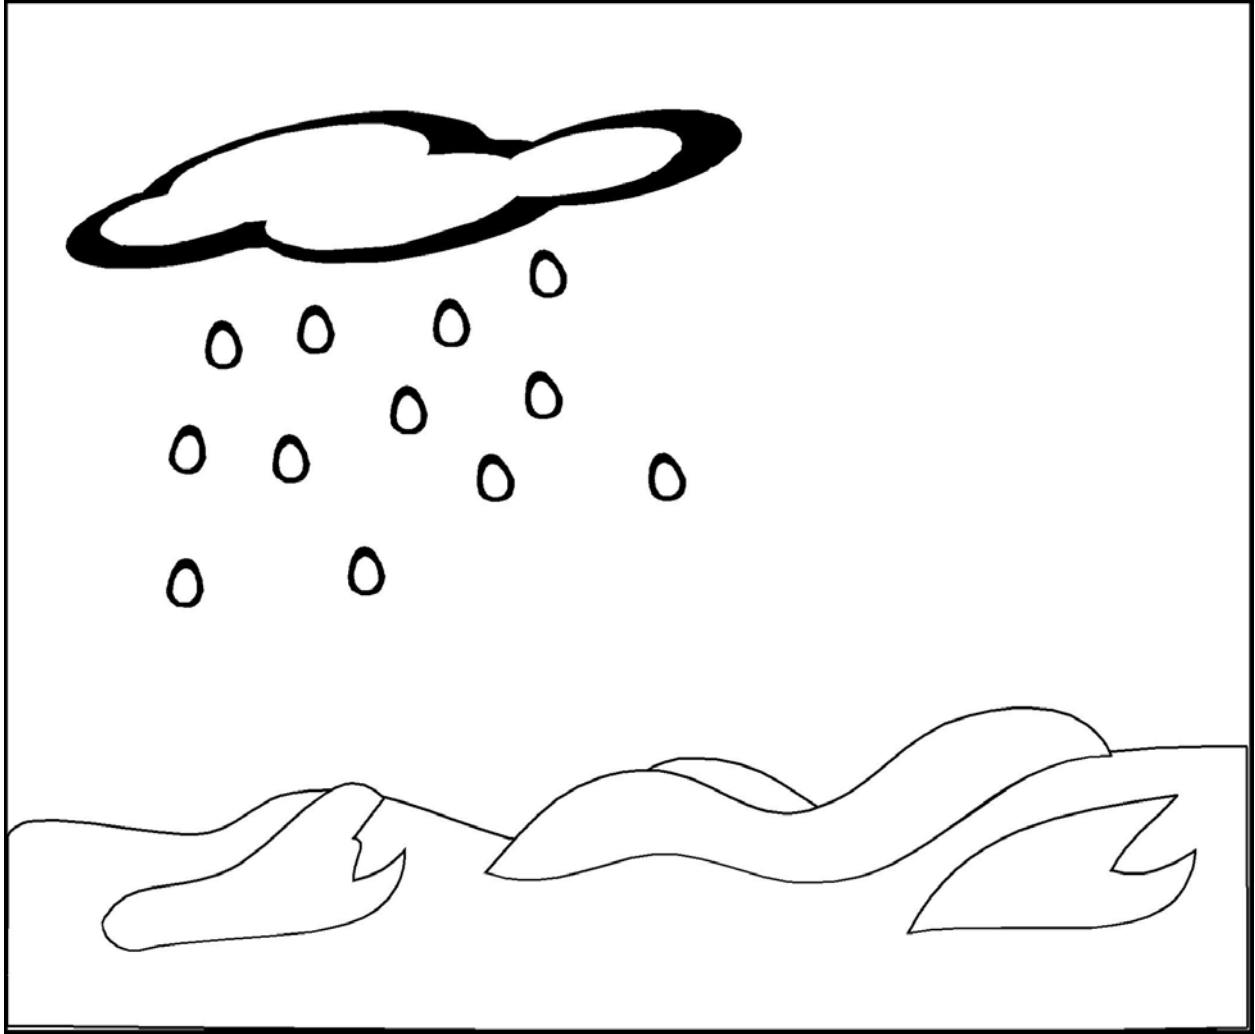

1. Allah ﷻ created us and \_\_\_\_\_  
around us.
2. Allah ﷻ made people have different skin color,  
language and they way we look. Allah ﷻ  
made us different so we can see the  
\_\_\_\_\_ of Allah ﷻ and

believe in him.

3. Allah ﷻ created everything alive from \_\_\_\_\_ . There is water in our bodies, in bodies of animals and in all plants.
4. When we look around us we see so many great things, all \_\_\_\_\_ from Allah ﷻ to make our lives easy.
5. Allah's \_\_\_\_\_ make us believe in him, because only the most powerful God can create all what we see on earth, in the skies and everything in between.

Allah ﷻ created everything in heaven, on earth and everything in between.

# Remember!

- Allah ﷻ created us and everything around us.
- Allah ﷻ made people have different skin color, language and they way we look. Allah ﷻ made us different so we can see the glory of Allah ﷻ and believe in him.
- Allah ﷻ created everything alive from water. There is water in our bodies, in bodies of animals and in all plants.
- When we look around us we see so many great things, all gifts from Allah ﷻ to make our lives easy.
- Allah's creations make us believe in him, because only the most powerful God can create all what we see on earth, in the skies and everything in between.
